

Forbes St will be closed to vehicular traffic starting 18 Jan 2010 for construction for a new roundabout. The road will continue to stay open for bicycles and pedestrians. Students can still park their bikes on the bike rack. Parents can drop students off on the intersection of Forbes St and Armstrong St for the duration of the closure. Construction should last approximately three months. For more information you may contact the 60th CES at 837-7521.
