Gifted and Talented Education PERMISSION FOR ENRICHMENT PROGRAM PARTICIPATION

My child and I have discussed the GATE program information and he/she wishes to enroll in the Enrichment GATE program on common planning mornings for the 2005-2006 school year. We understand that space is limited and the class will be filled in order of permission slips received. We also understand that students who miss more than 2 classes may be dropped in order to make room for other students.
