It is important that everyone follow the dress code that is outlined in the Student Handbook. Girls are not permitted to wear spaghetti straps, tube tops, halter tops, or show their stomachs. Also, shorts and skirts that are shorter than your fingertips when your arms are extended are not permitted. Boys need to keep their pants secured at their waist. Violation of the dress code will result in consequences, and the student will be required to change into their PE clothes or go home to change clothes.
