WeTip's School Safety Program

WeTip's School Safety Program offers the WeTip anonymous hotline to students and their families. WeTip's hotline is a way for people to get involved in establishing a safer community. Students are often afraid to report crime information because they fear reprisal from the person they are reporting. WeTip gives students and their families an opportunity to give information without fear.

When you call the WeTip hotline, the first words you will hear from the operator will be, "This is the WeTip crimeline, please do not give your name." The operator will then ask a series of questions, designed by law enforcement, to obtain the maximum amount of information about the reported crime.

WeTip information is immediately conveyed to the appropriate police, fire, and sheriff's agencies.

After the information is taken, if the informant requests a reward, a code name and number are assigned to the informant. The caller always remains absolutely anonymous (not just confidential).

Cash rewards of up to \$1000 are given upon verified reports from law enforcement that WeTip information was received prior to arrest and that the information was helpful in the arrest and conviction.

The reward drop is made at a designated postal location, using the assigned code names and case numbers. No personal contact is ever made with the informant.

You can call this number 24 hours a day and
Report your concerns to us.

No one will ask your name, you will remain anonymous.
